The Medford Lakes Education Foundation Needs You!

The Medford Lakes Education Foundation, Inc. is a community based non-profit organization whose mission is to assist the Medford Lakes School system in becoming a model of excellence and equity in education.

Our funding goals include:

- Teacher In-Class Enrichment Grants
- ActivBoards in Classrooms
- Theater Program
- School-wide, Cross Curriculum Humanities Program
- Third Grade Butterfly Program
- Life Skills Field Trips
- Project Infinity including Student Tutoring, Peer Support, Fencing & Homework Club Programs
- Nokomis Night at the Arts
- Support for Band and Music Programs
- Awesome Authors Program
- Author in Residence
- Virtual Field Trips through the Distance Learning Labs

Although the majority of our funding comes from corporations, businesses and grants, it is imperative that we have strong community support when we seek these alternate sources of funding. Our goal is that 100% of our parents and teaching staff become members of the MLEF. Any tax-deductible donation large or small makes you a member! Please support us as we continue to build funds for the educational needs of the children in this community.
